

# 艾社康 未来健康奖学金暨 青年人才成长计划

ASK HEALTH  
HEALTH FUTURES FELLOWSHIP

## 2020

你是否：

关注健康卫生方面的议题，有志于在健康领域发展，提高社会总体医疗水平和可及性？

对具体的问题有自己的想法，有创新的思维和多元的视角来跨领域改善问题？

期待一个平台可以分享业内顶级资源，参与工作实践，与志同道合的伙伴共同成长？

**那你就是我们正在寻找的人！**

### 项目的起因

#### WHY WE DO THIS?

作为一家医疗领域的智库，艾社康一直致力于整合各方资源，通过研究与分析，发掘并记录某个国家或地区在健康领域的最佳商业或政策模式。多年来，我们成功汇聚了众多行业领袖、资深学者以及优秀企业家共同合作。通过促进合作和跨行业交流，我们致力于提高医疗服务的可及性，促进公共健康事业的进步。我们关心中国医疗健康领域的未来发展，也深知健康的发展需要人才的储备。为此，我们推出未来健康奖学金暨青年人才成长计划，为未来的一手信息，参与相关项目，与专家交流，促进人才的成长，造就青年学人或行业中兴。

我们关注行业的发展与整个健康体系的未来，也期待找到志同道合的你！

### 我们关注的领域

#### FOCUSED TOPICS

### 我们的招募对象

#### WHO ARE WE LOOKING FOR?

如果你

- 正在高校就读，大学本科二年级及以上（含研究生）
- 和我们有共同关注的话题，对当前医疗领域的问题有一定的思考
- 对自己的未来职业生涯有一定的思考，计划在相关领域发展

**那么，欢迎你申请加入未来健康奖学金暨青年人才成长计划！**

### 获奖意味着什么？

#### WHAT ARE WE OFFERING?

如果在经过书面申请 — 深入考察 — 电话面试 — 入选计划的流程之后，你成功成为未来健康奖学金暨青年人才成长计划的一员，你将在**一年内**

- 获得艾社康未来健康奖学金人民币六千元整
- 有机会参与艾社康举办的业内交流活动、论坛和行业考察
- 有机会参与行业和学术的专家讲座交流
- 得到有针对性的资源推介及媒体宣传
- 有机会在资深同事的指导下，参与到艾社康正在进行的，关于上述话题的项目咨询和研究工作中，进行为期2-3月的实践
- 有机会在导师和专家的指导下将研究和项目咨询所得加以总结整理，并发表论文

最重要的是，在这样一个分享资源，深入了解行业运作和发展方向的平台上，你可以遇到一群志同道合的伙伴，共同学习，共同成长。

**此外，入选者还有机会进入艾社康进行实习，获得更多的工作与实践经历，优秀者可以得到推荐，加入包括艾社康在内的业内领先机构工作或继续深造。**

决定是否邀请你与我们电话深入交流，最终加入这一奖学金暨青年人才成长计划。

### 关于艾社康

#### ABOUT ASK HEALTH

艾社康（上海）健康咨询有限公司（简称艾社康）是一家全球非营利性咨询集团，致力于在低、中、高收入国家提升人们的就医机会，以使更多人享受高质量、付得起的医疗健康服务。主要工作包括：  
**未来健康创新平台：**以创新科技赋能，关注健康管理、疾病预防、居家及在地养老，以应对全球人口结构变化和慢病普及趋势。同时，未来的医疗服务与支付模式应当以价值医疗为导向，优化资源配置，降低医疗体系成本，使更多患者受益。  
**未来健康学院：**在国际范围内积累知识和经验，倾力搭建一个集行业研究、政策分析、案例分享与前沿资讯为一体的健康和养老领域知识中心，为未来健康创新伙伴提供行业洞见与支持。

### 部分优秀青年人才发展情况

#### SOME FELLOWS

### 青年人才故事

#### STORIES

**吴兰君**，2018年春在艾社康进行实习，参与行业案例分析和研究，为客户起草并修改董事会报告，分析项目可行性，为客户进行商业决策提供参考；为一个覆盖6国的案例收集数据，分析，并将结果可视化；为国际客户筛选合作对象并成功为三位客户寻找到长期合作伙伴。  
日前从美国伊利诺伊大学香槟分校毕业，完成硕士MSBA项目的学习。

**顾盛**，2017年在艾社康进行实习，负责策划和推广年度市场计划，管理社交媒体账号，推出包括行业白皮书在内的宣传出版物，维护媒体关系，搭建内部知识数据库并主导组织内的知识分享。于2018年作为编译委员之一组织完成了关于印度医疗健康系统书籍《Every Second Counts》的翻译出版工作。  
目前在艾社康担任知识与传播经理，负责市场推广、媒体传播与知识数据库。

## ASK HEALTH HEALTH FUTURES FELLOWSHIP 2020

Are you:  
Interested in the healthcare industry and believe in the mission of improving healthcare quality and accessibility?  
Finding yourself filled with unique ideas and innovative thinking in problem solving?  
Wishing for a platform where you can grow with like-minded peers, and dive into real-world problem solving with leading industry experts?  
**Then, YOU are the talent we are looking for!**

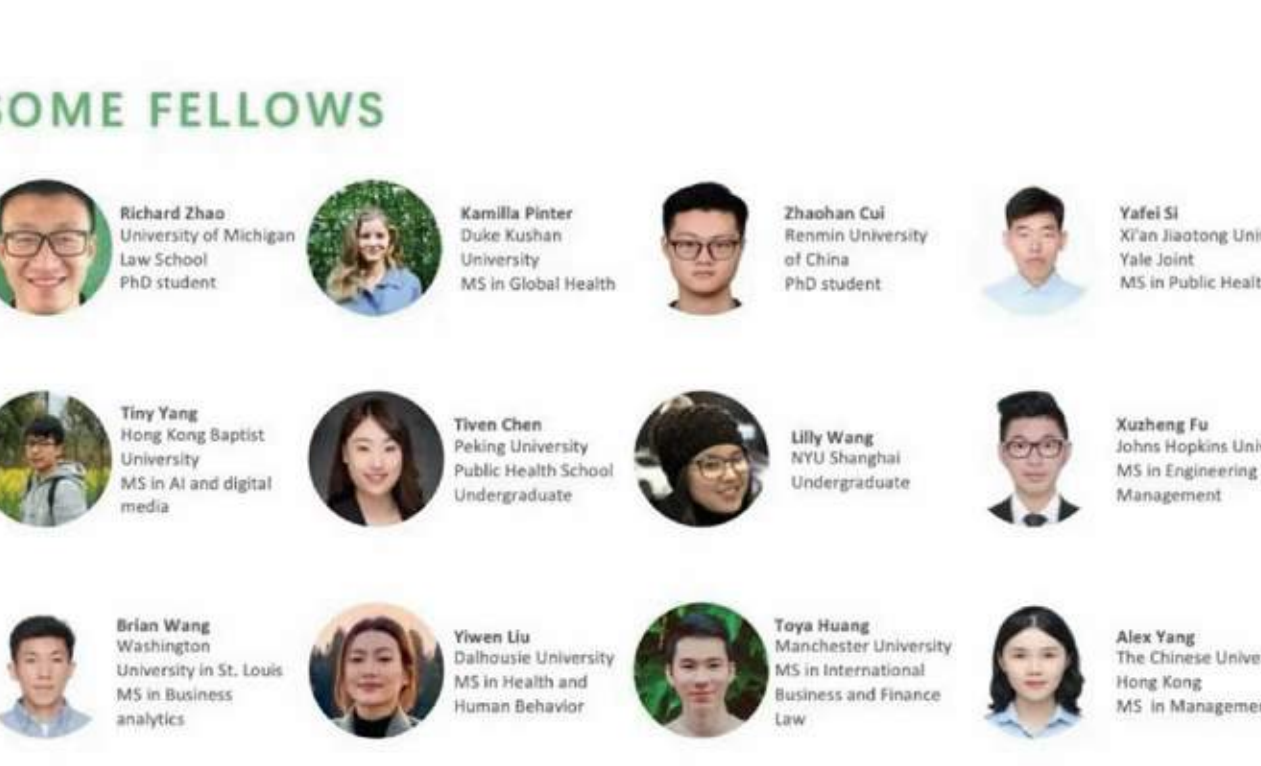

### WHY WE DO THIS?

As a global healthcare-focused think tank, ASK Health focuses on integrating industry resources, conducting in-depth topical research and analysis, and understanding the healthcare policy trends while discovering leading innovative business models and healthcare solutions. Over the past years in China, we have brought together industry opinion leaders, respected scholars, and rising entrepreneurs. Through promoting partnerships and cross-industry collaborations, we hope to collectively improve healthcare accessibility and accelerate the development of the entire industry.

We hope through our ASK Health Health Futures Fellowship program, we can offer a platform for our young talents to grow and gain firsthand knowledge of the healthcare industry. We want to enable our students by providing them opportunities to interact closely with leading experts, participate in relevant projects, with the goal to further nurture the young talents for the industry.

We care deeply about the development of healthcare in China, and we sincerely hope to find like-minded and passionate individuals to join our mission!

### FOCUSED TOPICS

### WHO ARE WE LOOKING FOR?

Please send us your application, if you...

- are a sophomore and beyond (including graduate students).
- share our missions and have desires to share your opinions in our selected healthcare topics.
- have strong interest in the healthcare space and plan to work in the industry.

### WHAT ARE WE OFFERING?

If you have been selected, within **one year** you will...

- receive a fellowship of RMB 6000, and recognition across all ASK Health media channels
- have opportunities to attend ASK health activities, such as networking events and annual forum.
- have opportunities to participate in industry and academic experts' seminars.
- have opportunities for media exposure
- have opportunities to work closely with senior colleagues and advisors and participate in research and consulting projects.
- have opportunities to gain more research grounds on your topic of interest to support your academic thesis.

Most importantly, at ASK Health, you will be working with like-minded and driven peers, sharing the same mission, and working on topical projects, while enriching your knowledge and understanding of the industry.

### WAIT, THERE'S MORE!

**You also have the chance to join us through an internship, with opportunities to participate in more projects or receive recommendations to the organizations of your desire!**

### HOW TO APPLY?

**Step One:**  
Please fill in and submit the form in the QR code on the right

**Step Two:**  
Please email the following, before 24:00, April 30, 2020 to [contact@accessh.org.cn](mailto:contact@accessh.org.cn) in an WINRAR file with email subject line of "ASK Health Health Futures Fellowship + Full name"

- Your CV
- Your personal statement
- Your recommendation from your professor (optional)
- Papers (optional)

**You will be receiving a confirmation on your application within a week**

We will conduct the first round of selection based on:

- Your area(s) of interest and your opinion on them
- Your academic and working experiences
- Your plan for your career
- Your perspectives and innovative thinking
- Your commitment

**The selected candidates will then be invited for interviews.**

### ABOUT ASK HEALTH

ASK Health is committed to promoting health system transformation in China through innovation. As part of our effort to create an ecosystem for innovation across the health sector, we established the Health Futures Innovation Platform. Health Futures brings together domestic and global partners under a common vision of the future of health, one that is patient centered, integrated, and affordable. ASK Health has provided research, expertise, and advice to platform partners in health service delivery innovation, health technology innovation and application, and health payment innovation.

Our work empowers partners to discover and to grow innovative healthcare models in the country and region. Our partners include leading enterprises, growing startups, governmental organizations, think tanks, and academic institutions. Our team works closely with our partners to encourage cross industry, cross border, and interdisciplinary collaboration. Our research team generates the evidence base for industry and policy innovation and our consulting team provides services to select clients to expand their businesses and to accelerate growth.

As a leading catalyst in healthcare innovation, ASK Health has established a network of more than fifty organization partners and hundreds of leading industry experts. Together with our partners and experts, we will continue to drive progress towards building a sustainable, accessible and affordable healthcare for all.

### SOME FELLOWS

### STORIES

**Lanjun (Leona) WU** joined ASK Health for an internship in Spring 2018. During this time she participated in business case studies and helped created reports for clients, analyzed project feasibility for business decisions. She also collected data and visualized them for a case study covering 6 countries. She supported global partnerships projects and helped analyze and narrow down potential partners for our international clients.  
Leona recently graduated from the MSBA master program at the University of Illinois at Urbana-Champaign.

**Shawn GU** joined ASK Health for an internship in 2017. He accepted our full time offer after the internship. Since then, he oversees our entire marketing work, from planning, to creating decks, and to managing our social media channels and media partners. He also edits and organize publication releases, including white papers and books. In 2018, he organized the translation and publication of *Every Second Counts*, a book on India Health Emergency system. In addition, Shawn is also building our internal knowledge database and leads knowledge sharing sessions regularly.  
Shawn is now working in ASK Health as Knowledge and Communication Senior Manager, responsible for marketing, media, and knowledge database management.
